

First Floor Plan

Rendering may show features that vary from the standard plan.

Second Floor Plan

Canterbury III

The distinctive appeal of this 4 bedroom, 2 1/2 bath home begins at curbside with the Victorian flavor of a tur-reted facade and a front porch highlighted with custom stone work. This unique architecture also enhances the interior, creating wide window bays in the owners suite and fourth bedroom, as well as in the living and dining rooms. Consult with an LTS new home sales representative on the standard plan and available upgrades.
