Second Floor Plan

Madison Series

This multi-level home has it all! The 1st level has a bedroom and bath, which provides the ultimate privacy for grandma or a teen. Then venture up a few steps to the 2nd level to the spacious open concept living, dining and kitchen areas. In the evening, travel up a short flight of stairs to 3 additional bedrooms for a quiet night's sleep. This exceptionally designed home also includes a basement which opens up many possibilities for the future. Consult with an LTS new home sales representative on the standard plan and available up-

- 1 or 2 Car Garage Design
- 2.5 Bathrooms
- In-suite Bath in Owners Suite
- Covered Porch Option
- Fifth Bedroom Option
- Finished Basement Option
