First Floor Plan

Meydan

This three-bedroom ranch home features a spacious open floor plan. The large kitchen just off the dining and great room makes for a great entertaining space. The spacious owners suite is tucked away creating a private retreat from the main hub of the house, and a covered porch creates a welcoming front elevation in addition to a lovely space to enjoy the outdoors. Consult with an LTS new home sales representative on the standard plan and available upgrades.

- 2 Garage
