Richmond Series

When you walk into this beautiful 3 or 4 bedroom, 2.5 bath home you will instantly be struck by the openness of the floor plan. The powder room has been discreetly tucked away from the living, dining, and kitchen areas. The 2nd floor offers a convenient washer/dryer area and a spacious owner's suite with an in-suite bathroom and walk-in closet. Consult with an LTS new home sales representative on the standard plan and available upgrades.
