First Floor Plan

Second Floor Plan

Saddlebrook

WOW! The best way to describe this perfectly designed home is oversized. Every room boasts generous dimensions. From the soaring two story foyer, to the his and her closets in the spacious Owner's Suite, right down to the walk-in closets in the secondary bedrooms. This open concept design offers all the square footage needed for the family that requires lots of space. Consult with an LTS new home sales representative on the standard plan and available upgrades.
