Ashbrooke Series

This beautiful 3 or 4 bedroom home is perfect for a couple or a growing family. With a charming exterior and an interior that has been carefully designed to make good use of every square inch. From the 2nd floor washer/dryer area to the spacious owner's suite with a walk-in closet and in-suite bathroom, it definitely offers all of today's "must haves." Closets galore help you keep your home tidy. Consult with a LTS new home sales representative on the standard plan and available upgrades.
