Aspen

Whether lake front, mountain top, or forested retreat, this charming home is perfect for a location with a view. The Aspen's two-story great room is a central feature which showcases a wall of windows and provides an abundance of natural light. This home includes many options to meet your specific needs, with options for additional bedrooms, a separate powder room, or generously sized island. Consult with an LTS new home sales representative on the standard plan and available upgrades.

- 1st Floor Owners Suite
- Open Concept
- 2nd Floor Loft
- Optional 4th Bedroom
- Optional Powder Room
- Two Story Great Room
